Correct Corsets.

The right kind. The comfortable kind. The reasonable kind.

At—

PERRY'S.

Are you exactly satisfied with your Corsets? We can lead you to satisfaction if you are not. The doctor can write the prescription—but the druggist must have the right drugs or he can't fill it. You may require a certain style of Corset that you haven't been able to find. Our assistants can suggest the proper kind—and our stock can fill the prescription—because we carry all the reputable brands—domestic and imported. They are Corsets with reputations. Earned records. They have passed to the front because of the properties in their construction that fill the requirements of figure and fancy so satisfactorily. Nothing experimental about them. No favoritism so far as we are concerned. We will give you correct advice.

The fit of your dress depends much upon the fit of your Corsets. Don't ruin the Easter gown for want of correct Corsets. It will only take a jiffy to get just what you should have.

THE WORLD OF SOCIETY

Well-Known Ladies Take Delight in Serving the Aged Poor.

Today is St. Joseph's day, and the fête day at the Home for the Aged, under the care of the Little Sisters of the Poor. It is the one day in the year, excepting Sundays, when the Little Sisters are missed from the street, making their rounds to collect food and necessities for their helpless old charges. Out H street at the home an animated scene was in progress from 11:30 until after 2 o'clock, when the visitors had departed and the house and its occupants had settled down to the customary routine. For the dinner, which was served about noon time, society, in the persons of some of its most prominent diplomatic, official and resident lights, had the honor of portioning out the food, setting the tables and waiting on the old people while their carter of food with him was prepared through the generosity of the friends of the house with special daintiness and with an elaborate menu. A force of waiters and waitresses, and several constituted themselves visitors to such of the inmates who were not able to leave their beds. Soups, roast beef, poultry, vegetables, followed by fruit, cake, candy and ice cream, formed the meal, which was served at the same time in the different parlors in each of the three stories. As usual, there were as many servers as persons to be served, and the time was spent in pleasant conversation, very agreeably going through the house from the parlor in the cellar to the dormitories uppermost. After dinner the visitors were entertained in the cellar by a variety of music and some dancing. Later the inmates and guests assembled in the chapel for benediction, which closed the celebration of the day.

Senator and Mrs. Elkins entertained at dinner last night the Secretary of State and Mrs. Elkins, Secretary and Mrs. Carlisle, the Mexican Minister, Mr. Romero, the Brazilian minister and Mrs. de Menezes, Mr. and Mrs. Covarrubias, the Japanese minister, Mrs. Sheridan, Col. and Mrs. John Hay, General and Mrs. Lanyon and Mr. and Mrs. Foulke. Jonquils and ferns decked the daintily set table.

Senator and Mrs. Elkins entertained at dinner last night in honor of Sir Stafford Northcote.
